

The background is a solid red color with several overlapping, semi-transparent red geometric shapes. A large, light red triangle points from the top left towards the center. A darker red shape is at the bottom left. A white L-shaped bracket is in the top right corner, and another is in the bottom left corner.

Why choosing us ?

Our company is a company of value, innovation, quality and safety. Our mission is to provide the European market, with the very best in portable exhibition solutions.

Why it is important to choose a quality design ?

To provide the highest quality solutions to our clients. We source and import the best quality raw materials from around the globe. From our distribution warehouse and service center. We ensure our exhibition frames: popups, modular displays, lighting boxes and truss. They are delivered with outstanding service and added value.

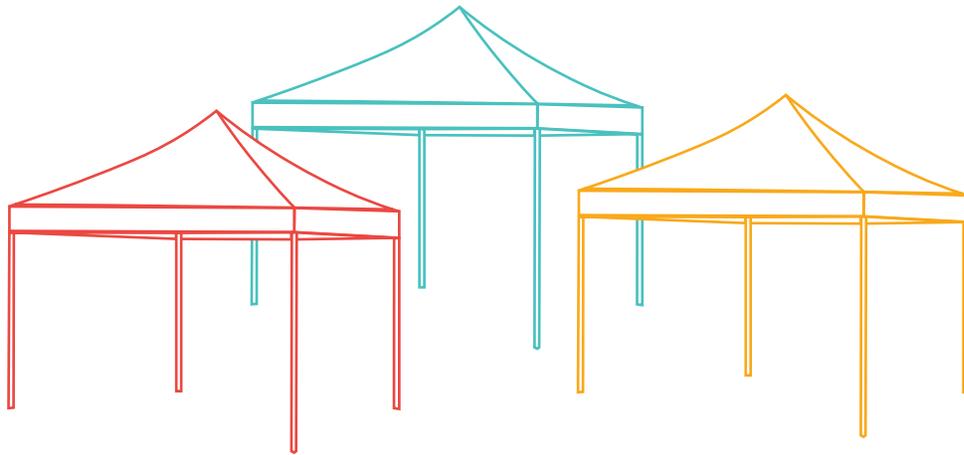

Is it Safe ?

The original idea was to design an exhibition booth for reliability, durability and product safety in a public place. Thanks to the experienced engineers and industry experts working across our entire exhibition stands range, all of our products come with a full engineering certification.

What's new ?

Our Team are excited to continue evolving and improving our display technology.

Our products are designed to evolve. The structure and size of our products, make the design of your spaces original and attractive. By sharing these innovations, you can build as you go and have a system that suits you perfectly.

Outdoor Catalogue

Our exhibition and event displays are ideal for showcasing your business and bring more foot traffic to your event at any time and market!

You can customize them, with your logo or any design to maximize your visibility. We offer a wide range of professional portable exhibition displays, pop up stands, lighting boxes, event booths and portable truss for all occasions.

Whatever your small portable event or big event branding product's needs, our friendly customer service team is ready to be of assistance.

Gazebo Tent

Tents

We offer the largest range of pop up gazebos, tents and marquees.

Our tents are a sturdy and attractive option for outdoor display – they are a fantastic 'canvas' for visual advertisements and give you lots of space to shelter from the sun or rain.

Our range has a suitable marquee for every purpose and every budget.

Only the highest quality materials are used in the production of our tents events, canopies and their folding aluminium frames.
