

COUNTER

Engage and Greet Your Audience with Counters and Kiosks

Incorporating a branded exhibit counter into your trade show display booth creates a central location for your visitors.

Your trade show staff can easily engage with your audience in high-traffic locations, drawing potential clients into your exhibit space. The additional branding opportunity from a trade show display counter maximizes marketing investment for your entire event space.

Mega Double Counter

Portable Counter

Promotional Counters.

We have a wide range of portable promotional counters, which are ideal for in-store promotions, food sampling and as a point of focus kiosk at exhibitions.

Portable Trade Show Counters are a dynamic addition to any booth design, promotional event, interior office design, retail display space and more.
