

TU — — BE

Tubes Fabric Displays are one of the most popular walls within the fabric range.

Available in several sizes and shapes, our Tube Fabric Displays are strong and sturdy. The tubes are extremely lightweight and portable, it allows a quick and simple installation.

Tube Fabric Displays are a perfect partner for large seamless fabric displays.

HOW — DOES IT — WORK?

Our tube tension fabric systems, are a great alternative to standard backwall displays.

Quickly assembled in just 5 minutes, slide the tubes together to make the frame and lock in place with a push button snap.

Then, simply pull the pillowcase-like graphic over the frame and zip it. The zipper, hidden from view, tightens the stretch fabric displays your image. Disassembled, this lightweight frame and graphic fits inside its included bag.

Step 1

Install the base

Step 2

Connect the parts

Step 3

Build the structure

Step 4

Install the graphic fabric

Choose the shape
