

# TRU — SS

**The Truss system, is developped for the display and exhibition industry and produced in the best quality.**

The perfect function and unique design allow the creation of custom expressions fitted to your individual needs.

Two options are available, for the Modular truss system, from 10 x 10 cm to 15 x 15 cm. Those modules are in black and white. You have the possibility to have a preview with 3D program and drawings.

Its made in aluminum and steel , that make it strong and durable.

# HOW — DOES IT — WORK?

## 15x15 cm Truss :

foldable modules with 4 screw for connecting

Step 1

Unfold the truss

Step 2

Connecting with a screw

Step 3

Assemble the truss together

Step 4

Add the banner

## 10x10 cm Truss :

not foldable modules with 1 screw for connecting

Step 1

Very easy to assemble and disassemble without any tools or for faster installation.

The banner needs to be mounted on the aluminium profile with tape. After a twist or two, insert profile with banner in top- and bottom clips.
